To Whom It May Concern:

I highly recommend Madison Devries as a candidate for the position at your school.

As the K-8 Theater Specialist and head of the Arts Department at Elk Plain School of Choice, I have had the pleasure of working with Madison for several years. First when she was a senior in high school and worked as my assistant director, and years later she was my student teacher during Spring 2021. She is a driven and organized teacher who develops inspiring relationships with her students.

Madison has always been driven to develop her skills as a teacher. She came to us as a student teacher, eagerly taking up extra responsibilities such as assisting with the virtual musical as well as attending PLC Meetings and student meetings throughout the spring. Madison embraces any opportunity for professional development, which makes her an excellent leader.

Madison has a wonderful rapport with people of all ages, especially students. Her ability to connect with her students is unmatched. She also has excellent written and verbal communication skills with both parents and teachers. Her passion for theater, the arts, and education shines through in everything she does.

Madison accomplishes all these tasks with great initiative and with a positive attitude. I recommend Madison to you without reservation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,
